New Booking Confirmation for Reykjavik Campsite - Updated links

à : j-louis.merelle@wanadoo.fr

Hi Jean-Louis,

We thank you for your booking for 2 people and we look forward to you joining the Reykjavik Eco Campsite community on Wednesday, 29 June, 2022 for 1 nights.

Important Booking information:

Your PINCODE to the Bathroom Facilities : 935935. Please help us to keep the doors locked and do not share the pincode to others. All registered guests should have this information in their inbox.

This is your Voucher Code: 28131102. Please write your Voucher Code number and display on the vehicle.

Airport transfers. For smooth transportation from/to KEF airport, choose between Flybus or GrayLine. These companies offer pick-up & drop-off directly at the Campsite. We strongly recommend you booking Airport transfer beforehand [HERE](#).

Tours & Activities. We recommend our best-selling tours and activities. Go ahead and [book now](#) or come by at the reception and have us assist you with planning and booking your adventures. Please note that the name of the bus stop might be 'Reykjavik City Hostel / Campsite - Sundlaugavegur 34' or 'Dalur Hostel & Campsite - Sundlaugavegur 34'.

What we expect from you as a responsible campsite guest. We hope you join us in minimizing the impact of the environment while staying by at least; using our recycling facilities, use the swop shelves, be conscious of water conservation, tidy away litter and enjoy drinking Icelandic pure and free tap water from reusable bottles. And of course, to be considerate to your fellow travelers.

FAQ // Please find below some helpful information to frequently asked questions:

Where is the Bus Stop for Flybus/Highland Bus / Excursions? In front of the Hostel You book your Transfer / Activities [HERE](#) and get picked up in front. Note that many excursions know this as 'Reykjavik City Hostel / Campsite – bus stop' and others with our new name : 'Dalur Hoste / Campsite – Sundlaugavegur 34'.

Where do I buy Camping Gas? First check if your fellow travellers have left the right bottle for you to pick up at the Campsite. If not then you find them at most petrol stations, like N1 on Borgartún 39.

Where do I pick up Strætó Public Bus #14 for downtown Reykjavik? In front of the Hostel, red bus stop across the street. This is the route and Schedule for #14. We recommend downloading the Straeto APP for payments and timetables.

What do I do with my Wastewater/Grey Water? Reykjavik Waste Water Station is 5min drive away at Klettagarðar 14. Free service 24/7.

What do I need for the Washers/Dryers? Each load costs 7 x 100 kr. We offer you to change money at the hostel & campsite reception.

Travel safe and see you soon in Reykjavik!
